Monthly Meeting Notice

Thursday, May 3rd, 2018

Norfolk Southern Grand River Bridge Tour and Social

Program: The Great Lakes Construction Company is currently working on the Norfolk Southern Grand River Bridge replacement project. This project consists of constructing a new 11-span railroad bridge that totals 1,348 feet in length. The superstructure consists of 10-foot deep structural steel girders with precast concrete deck panels for the track bed. The substructure consists of 10 structural concrete piers founded on 7-foot diameter drilled shafts. The existing 1904 trestle bridge will be demolished after the new bridge is opened.

Tour attendees will need to dress appropriately (long pants and hard-soled, closed-toe work boots). A hardhat, safety vest, and safety glasses will also be required for safety purposes on the project.

Parking will be available at the Great Lakes Construction field office. The address for that is 605 Bank Street, Painesville, OH 44077.

Social: There will be a social after the tour at the Park Road Bar and Grill (9 Park Road Painesville, OH 44077). Pizza and appetizers will be provided.

Time: Arrive at 3:30 PM. Tour will begin shortly after.

Cost: \$10 – ABCD Members and \$15 – Non-Members/Guests

RSVP: [Eventbrite](https://www.eventbrite.com) or QR Code →

One (1) Continuing Professional Development hour will be provided. If you attend and sign in at the meeting, and wish to obtain CPD credit, please go to our website (<http://www.abcdneoh.org/professional-development.html>) following the meeting to obtain the sign-in sheet and announcement.

Kindly RSVP by 5:00 PM Tuesday, May 1st, 2018

No-shows and Cancellations after the reservation deadline may be billed.
