Thursday, June 9<sup>th</sup>, 2016

### Innerbelt Bridge Tour and Social

**Program:** The Ohio Department of Transportation (ODOT) and its Innerbelt Bridge project team will offer ABCD a tour of the Innerbelt Bridge construction project. **The hour-long tour has a maximum capacity of 25 people per tour.** There will be **two tours**, both beginning at 4:00 pm. Spots will be filled on a first-come, first-served basis. All attendees are required to sign two releases, one for ODOT and one for TGR.

Please find a copy of the release forms attached. Attendees are encouraged to bring a signed copy of the releases with them on tour days in order to speed-up the check-in process. **Tour attendees will need to dress appropriately, to include long pants and hard-soled, closed-toed shoes,** and will be expected to walk about a mile as part of the tour. **All of the safety precautions must be followed. Because the group is so large, please bring your own hardhat, vest and eye protection as well.** Those who are NOT dressed appropriately will NOT be permitted to tour.

**Parking/Meeting Info:** Tours begin adjacent to the construction site in Cleveland's Industrial Flats. Paid, public parking is available in the "Riverview" parking lot at 351 Canal Road, Cleveland, OH 44113. For a map of the tour location and parking, please click [here](#). Turn-by-turn directions to the parking site are available [here](#). **\*\*Note: Please drive to the bottom of the parking lot. Refer to the map for details. Due to construction and limited parking, we do NOT recommend driving to the West 3rd location. Plan to arrive at least 15 minutes prior to scheduled tour time.** The tour will begin promptly at scheduled time.

**Social:** There will be a social after the above event at Sainato's Restaurant located at 1852 Columbus Road, adjacent to the Columbus Road Lift Bridge. Pizza, wings, and various appetizers will be included. Draught beer and other drinks will be at a reduced cost.
