

Monthly Meeting Notice

NOVEMBER MEETING

Wednesday – November 19, 2008

“The Huey P. Long Bridge”

Speaker: Jim O’Leary, P.E., HNTB

Program: Jim will be presenting on the Huey P. Long Bridge which is a steel truss carrying vehicular and railroad traffic over the Mississippi River near New Orleans. The bridge is currently undergoing a widening which will add two new vehicular lanes and shoulders as well as widen the existing lanes. The 980 million dollar project involves constructing two new truss lines outside the existing trusses and connecting them to the existing bridge. Traffic will be maintained on the bridge during construction. This type of widening has never been attempted before.
