Disaster Recovery in Lake County

Speaker: Kirk Dimmick, P.E., Lake County Bridge Engineer

Program: From an owner's perspective, Kirk will *wade* through the FEMA and Federal Aid recovery processes initiated as a result of the 2006 500-year flood event. The discussion will also show how outside partnering was key to rebuilding the County infrastructure in 18-months. By knowing the processes, project approvals were captured faster, more outside funding was acquired, and quicker construction start times were realized. With the prevalence of climate change upon us, the time is now to know various ways to engage the disaster recovery process and who is on your team.

Location: Mavis Winkle's Irish Pub – Crowne Centre Building, 5005 Rockside Road, Independence, OH

Lunch: Choice of: Cobbler Salad, Shamrock Chicken Sandwich, or Corned Beef Boxty. All lunch choices include coffee, iced tea or soda and a Bailey's Irish Mousse dessert.
