

## Field Trip

*Friday, November 13, 2009*

### “US Bridge Plant Tour”

**Program:** US Bridge, formerly Ohio Bridge, has graciously agreed to host us for a tour of their structural steel fabrication facility. The tour will last approximately 2 hours, and we will be shown their latest projects being manufactured including steel pedestrian and vehicular trusses, rolled beams, and structural bridge flooring.

**Location:** 201 Wheeling Avenue, Cambridge, Ohio, 740-432-6334. Cambridge is located approximately 2 hours south of Cleveland, and is located near the I-77/I-70 interchange.

**Time:** 1:30pm – 3:30pm. Please try to arrive a few minutes early so that we may begin on time.

**Misc.:** Most of the tour will be indoors, however please wear appropriate clothing in case of cold and/or rainy weather. Work type boots are recommended. Refreshments will be provided.

**RSVP:** Contact Patricia Gause of TranSystems. at (216) 357-3555 or  
**email:** [pgause@transystems.com](mailto:pgause@transystems.com) by November 6, 2009.  
*For safety reasons, registration is limited to the first 30 people who RSVP.*
